Dear Parent:

In October 2007, U.S. Department of Education issued final guidance for the collection and reporting of racial and ethnic data. The U.S. Department of Education requires that the revised standards are implemented by the fall of FY2010. To ensure Georgia's compliance with federal requirements, all data collections will be modified to begin collecting the race/ethnicity data in the new format in FY2010. The race/ethnicity of an individual shall be collected in a two part format that specifies (1) whether or not the individual is of Hispanic/Latino ethnicity and (2) allows the individual to select one or more races from the five racial categories. The racial categories are American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, and White.

Please complete the following survey and return it to school by August 12, 2009. Thank you for your cooperation.
